# Horses Like Yoga, Too!

Here are some daily easy Yoga stretches to do before riding or warming up your horse to help keep them soft, supple, willing and sound thru their 30's.

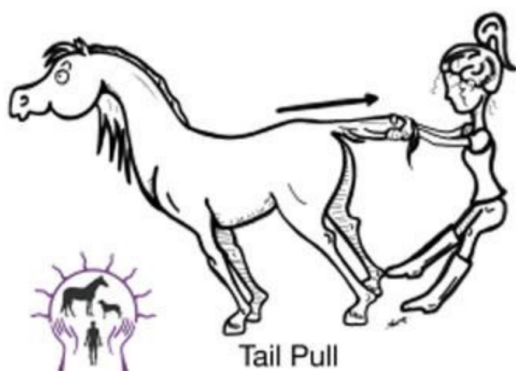

Carrot Stretch  
(Do Both Side)

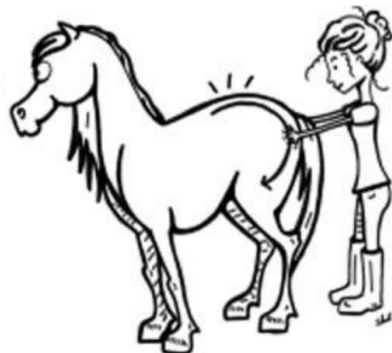

Leg lift / Inward Leg Circles  
(Do Both Sides)

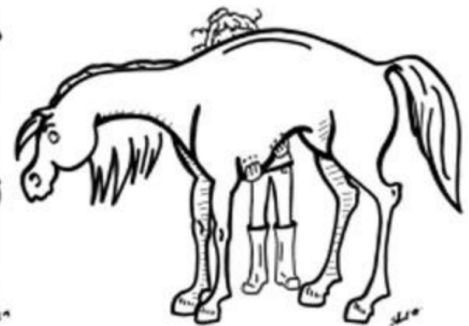

Drunken Horse  
(Both Sides)

Tail Pull

Butt Tuck

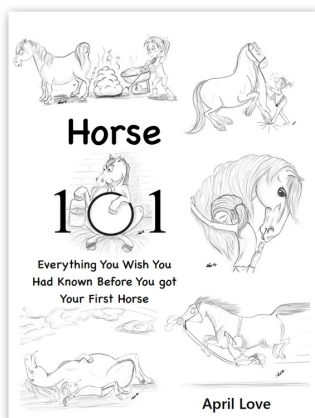

Rib Lift

If your horse can't do these moves easily, it's a sign that there are deeper issues in the body. Such issues can create training or behavioral problems as well as mysterious lameness. Also, pre-mature arthritic conditions like Sidebone, Ringbone, Kissing spine, Roach back and Hunters bump, which will all shorten your horse's ride-able years. *Learn how to prevent these things so that you and your horse have a happy long future together!*

Date and Time of the closing of entries: 3-25-2022 (early entry discount available when paid and submitted by 3-18-2022; post entries are allowed up until show day before start of first class - late fee is \$5.00 per class).

## **General Rules:**

### **1. Tie Breakers:**

There will be a timed jump off for ties at first place only. Rider with the least fault and fastest time will win the class. All other ties will be decided on fastest time.

### **2. Jumper Groups:**

<b><u>Group 1:</u></b>	<b><u>Group 2:</u></b>	<b><u>Group 3:</u></b>	<b><u>Group 4:</u></b>
Ground	(up to 2'0")	(up to 2'6")	(up to 3'0")
Trot Poles	(up to 2'3")	(up to 2'9")	(up to 3'3")
Cross Bar (12" to 18")			

### **3. Ground Poles, Trot Poles, and Cross-Bars:**

Scoring will be based on (50%) technical faults (disobedience, off course). Riders are allowed a maximum of 3 faults with elimination when 3rd fault occurs and Horsemanship Score (50%), which will be scored subjectively by the Judge based on how the course was ridden. For example, how straight rider approached poles, their position, or how the rider handled the horse.

### **4. Gambler's Choice:**

Each obstacle carries 10 to 120 points according to difficulty. No combination obstacles. Obstacles must be built so they can be jumped in both directions. Horse and Rider will have sixty (60) seconds to jump all the obstacles in any order and any direction they wish. Time will start when they cross the start line. Start line may be crossed in either direction. The Judge will signal when time is up. The horse and rider must then cross the finish line (in either direction) to end their time. If the fixed time is reached at the moment the horse is ready to take off, the obstacle counts if jumped correctly. Riders/Horses must cross the Start and finish line for scores to count. Each obstacle may be jumped **ONLY TWICE**. If jumped a **THIRD** time, points do not count. If a rider falls, they must stop, but is still placed according to the number of points awarded. If a jump is knocked down, the points do not count and the jump may not be jumped again. The Joker Fence is worth 200 pts. If it is knocked down, 200 points are deducted. The winner is the competitor with the most points. Points for Gamblers choice will apply per division for year end. It will be placed as one open division on show day.

### **5. Jumper Classes:**

Jumper Classes will not be timed. Each rider has an optimum time to ride the course. Only riders with a clean round with no faults will be participate in a timed Jump off on a modified course.

### **FAULTS:**

4 FAULTS: Drop Rails

3 FAULTS: Refusal, elimination after 3rd refusal

## OFF COURSE : Elimination

1 FAULT: front touch,

1/2 FAULT: hind touch

### 6. Kahalawai Medal Classes:

## To Our Dear Spectators:

Thank you so much for joining us today! Your support means a lot and we hope you enjoy this weekend of competition.

In consideration for our horses and riders in the show arena, we ask that you limit your movement to and from the view deck during a dressage test or a jump course as to not distract the horse and rider. Save your applause for the end of a test or course.

For your enjoyment, Bipolar Eats is providing you with drinks and food to purchase during the show. Please enjoys and dispose of any trash when you are done.

Please limit your movements to designate “people only” areas. Upper Barn is closed to spectator unless Show Moves to that area during Introductory Dressage Test and Cross-bar/Trot pole classes. Be mindful if you are around horses. Please do not feed horses unless Owner or Rider gives permission.
